What I liked most about this session was...

Very good literature and very friendly & helpful
presenters (I also liked the food!)

What I liked least about this session was...

Not enough people attended

The topic(s) I wanted to spend more time on was...

Other comments...

Can we get her cleaning again?

Thank you for your feedback and attending the informational session on Portland Harbor's Draft Feasibility Study.

What I liked most about this session was...

Overall presentation was helpful.

What I liked least about this session was...

I gained a better understanding of the scoring alternatives and elements relative to the alternatives.

The topic(s) I wanted to spend more time on was...

The theoretical component was represented well but there is no human component - where are the potential stories?

Other comments...

Thank you for your feedback and attending the informational session on Portland Harbor's Draft Feasibility Study.

What I liked most about this session was...

EPA & DEQ

What I liked least about this session was...

LLWG is a waste of time. Laquable really I feel our public agencies are failing us by grouping them most of the time & speaking last at each of these events.

The topic(s) I wanted to spend more time on was...

Science.

Other comments...

I'm angry having to listen to these guys again.

Thank you for your feedback and attending the informational session on Portland Harbor's Draft Feasibility Study.

What I liked most about this session was...

visual displays; agency staff available
opportunity for questions / tables for
groups / tables - Thanks for snacks!
review time line options / EPA
conference

What I liked least about this session was...

chairs are really uncomfortable
? where to find powerpoint presentations?
reading from powerpoint -

The topic(s) I wanted to spend more time on was...

how is FS (7000 pages) organized
& accessible

- how about other topics? deep deposits
will comments/Q&A be available? coal tar / gas
w.

Other comments...

missing parties - boaters, fishers, Dept
neighborhood reps - perhaps at earlier state
meeting - public int'ns at start? levels?
